-  A group of young people from our parish are travelling to Sydney, Australia to attend World Youth Day next summer.
-  World Youth Day is the largest youth event that gathers people from around the world to build bridges of friendship and hope between continents, peoples and cultures.
-  They will spend 2 weeks serving the local community, in faith, fun and friendship. They will spend time in a local diocese before attending mass with the Pope – the main event.
-  The young people are working hard to raise funds to enable them to participate in this event. All of the money raised at this event will go to support them on their journey.
